

COMBINING REAL ESTATE DISTRESS EXPERTISE WITH LOCAL KNOW-HOW

The restructuring expertise of Keen-Summit Capital Partners LLC and the high-end residential know-how of the Ariel Cohen team of Douglas Elliman Real Estate have created a one-stop shop for New York City residential owners facing foreclosure or financial distress.

Lenders and attorneys benefit from the transparent sales process that Keen-Summit has revolutionized. Home-owners benefit from the NYC expertise of one of the leading residential brokers in the market. Combined, our team can maximize the value of your residence or portfolio quickly and efficiently and workout your lender issues.

- Accelerated sale of real estate via real estate brokerage and auction processes
- 1,000's of nationwide property transactions with transaction value in excess of \$2 billion
- Founded in 1982, we are the most experienced firm nationwide with a focus on distressed real estate sales
- Reputation for excellence and integrity
- Workout and bankruptcy expertise
- Dedicated team with over 150 years combined experience
- Senior management actively works on every project
