

Company Overview

We are selling one of the larger seafood distributors on the eastern seaboard, with historic New York City fish-market roots as a seafood wholesaler, retailer and distributor. The Company’s high-quality fish and seafood is sold to supermarkets, restaurants, hotels, airlines and passenger ships as well as direct to consumers.

Business Model

- Direct importer of fresh seafood worldwide
- Direct receivers of fresh fish daily
- Wholesale distribution worldwide
- Agreements with numerous fishing vessels for year-round fresh fish and seafood

The Company’s sales are comprised of a full line of fresh whole fish, hand cut fillets, live shellfish, frozen seafood, breaded seafood and canned products.
