Linger Longer By The Sea

It has long been known that words set to music are easier to remember. Sometimes, some words never leave us. That is why memories, tied to this music of the sea, last lifetimes.

Welcome to Linger Longer by the Sea, where season by season, day by day, hour by hour; the sea, always in motion, ever changing in appearance joins with salt-infused breezes to make a music that is unique to the shore.

Families have lived, loved and created lasting memories at this remarkable property for generations. With seven cottages and six sea-side studios on 2.42 acres with flawless sandy beach, the given name of Linger Longer perfectly describes the memories made here. Continue the legacy: create a family retreat or a development project.

The choices are endless and the choices are yours. What more noble endeavor than that of purveyor of beauty, connection and memories can be imagined?

Experience Linger Longer by the Sea first-hand to fully understand this offering. Call today, this is a rare opportunity. Please verify all information contained herein.
